Serving Wisconsin, Minnesota and the Upper Peninsula of Michigan

Exclusive
Representatives for:

RPM strives to be the premier manufacturers representative of electric motors and related products. Our goal has always been complete customer satisfaction. We will continue to offer friendly, reliable service and ensure that our products meet or exceed design and application expectations.

Avtron

- Offering industrial encoders, incremental and absolute encoders, with Severe Duty and Heavy Mill Duty ratings, with Explosion Proof and ATEX ratings, mounting options for hollow-shaft, c-face and foot-mount, stainless steel options

Benshaw

- Offering solid state reduced voltage electric motor control, motor protection and variable frequency drives, as well as motor controls from 208 V through 15 kV with horsepower ranges from fractional to 60,000 hp

Bonitron

- Offering solutions for AC drives, overvoltage, undervoltage, common bus, power quality and line regeneration

Frizlen

- Offering flat and tubular resistors, IP54 and IP67 enclosed resistors and wire round potentiometers

HBC Radiomatic

- Offering radio controls for industry, hand held controls, belly boxes, specialty and custom controls, overhead cranes, construction cranes and solutions for material handling, mining, mobile equipment and conveyors

Hyundai Electric

- Offering induction machines (2300-13.8kV), "Drop-In" replacements or retrofits, and solutions for power generation, water & wastewater, oil & gas and pulp & paper

J.R. Merritt Controls

- Offering operator chair systems, joysticks and custom controls for crane and machine control

Pintzsch Bubenzer

- Offering disk and drum brakes, motor mounted disk brakes, IP67 motor or gear box mounted, snag protection, brake monitoring systems, storm brakes, hoist drum e-brakes, AIS standard & mill duty, brake by wire cap or radio control and ATEX Intrinsically Safe products

Reuland

- Offering specialty motors, elevator flange & foot mounts, crane & hoist solutions, Navy-MIL solutions, Marine solutions, nuclear solutions, brakes and couplings, high speed and partial motors, synchronous/PM AC motors, inverter and vector duty motors as well as custom designs

Tatung

- Offering low voltage NEMA frame motors, US inventory, NEMA premium efficiency, IEEE-841, Hollow and Solid Shaft Vertical Motors, Stainless Steel and Crusher Duty motors

T-T Electric

- Offering DC & AC Square Frame motors up to 3000 hp, DC mill duty motors, NEMA & IEC designs, ATEX motors, full stock of IEC motors in both IE2 and IE3 efficiency levels, motors with IP23 and IP55 ratings, and low inertia high performance designs
